

Accessibility Statement

Introduction

MP Filtri is committed to making its website accessible, in accordance with Italian Law No. 4 of January 9, 2004 (the "Stanca Law") and Legislative Decree No. 106 of August 10, 2018, which implemented Directive (EU) 2016/2102.

This accessibility statement applies to the website: www.mpfiltri.com

Compliance Status

This website is:

- Partially compliant

with the requirements set out in **Annex A of the UNI CEI EN 301549 standard**.

Non-accessible Content

The content listed below is not accessible for the following reasons:

- **C.9.1.1.1 – Non-text Content (Level A)**
Some SVG graphic elements belonging to third-party components used for cookie consent management do not provide fully accessible labels through ARIA attributes.
These components cannot be fully customized by the website, and corrective actions depend on updates provided by the external supplier.
 - **C.9.3.2.2 – On Input Change (Level A)**
Within cookie consent management forms provided through third-party components, clearly identifiable submit buttons are not always available or properly managed from an accessibility perspective.
In this case as well, the limitation is due to external components that cannot be directly modified through the website platform.
-

Preparation of This Accessibility Statement

This statement was prepared on: **16/06/2026**

The assessment was carried out through both self-evaluation and evaluation performed by third parties.

Feedback and Contact Information

Users may report any cases of non-compliance with accessibility requirements or request information and alternative content by contacting:

- Email: webinfo@mpfiltri.com
- Phone: +3902957031

The email should include:

- Full name;
 - URL of the webpage or section of the website concerned by the report;
 - Descrizione chiara e sintetica del problema riscontrato;
 - A screenshot of the reported issue (where possible)
 - Information about the tools used (operating system version, browser version, and any assistive technologies used).
-

Reporting to AgID

If the response is unsatisfactory or no response is received within thirty days of the report, the user may submit a complaint through the website of the **Italian Digital Agency (AgID)**: <https://www.agid.gov.it/en>

Website Information

- Website publication date: **22/10/2025**
 - Usability testing carried out: **Yes**
 - CMS used: **WordPress**
-

This document has been prepared in accordance with the accessibility statement template provided by AgID (Agency for Digital Italy).
